They do not leave us,
They are not gone.
They walk among the
valleys now.
They stride upon the hill.
Their smile is in the
summer sky.
Their grace is in the breeze.
Their memories whisper
in the grass.
Their calm is in the trees.
Their light is in the
winter snow.
Their tears are in the rain.
Their merriment runs
in the brook;
their laughter in the lane.
Their gentleness is in
the flowers.
They sigh in
autumn leaves.
They do not leave.
They are not gone.
'Tis only we who grieve.

No-one is on this earth by chance
Each of us is the result of a thought of God
Each of us is willed, Each of us is loved,
Each of us is necessary.
Each of us is called to bring people out of the
desert of poverty, injustice, of lack of human
dignity, above all of lack of God,
towards the One who gives life,
Life in abundance.
