Our Lady of the Tumours
(Santa Maria dei tumori)
Holy Mary, Mother of God, Health of
the sick, intercede for us. By his death
and resurrection, your son opened for
us the doors to his grace, the source of
health of soul and body. We trust in
your intercession with him. We ask for
your loving protection against all
tumours, cysts and growths. We pray
not only for ourselves but for all who
suffer from these illnesses. May they
find in you a most tender mother who
brings strength and consolation. Holy
Mary of Tumours, pray for us. At the
Cross you offered your suffering with
patience; teach us to unite our suffering
to yours and like you to offer it to your
Son Jesus who is our only Saviour.
Amen.
