Don't rush to Judgement

It's a natural human tendency to judge others; to look down on those we think aren't as good as ourselves. But Jesus said, "Judge not, that you may not be judged."

When you judge another you're like a person trying to take a splinter out of someone else's eye while having a plank in your own eye.

One of the most common human failings is to demand standards of others which we cannot reach ourselves or to condemn faults in others which are glaringly obvious in our own lives.

Only God has the right to judge others. The rest of us are simply not good enough to do so.
