A Better World

If you're anxious to make
The world a better place
Start with the easiest and
closest area—yourself.
Sit down and see
In what way
You can change yourself

*A happy
and
blessed
New Year
to all*

To share communication with another, we must be willing to do two things: listen and ask questions.

A careful reading of the Gospels shows that Jesus was an excellent listener.

He also asked a lot of questions. He made people feel important because they are important.

We must be deeply committed to the belief that everyone we talk to is very important

Listen.....

And ask questions!

A Christmas Blessing

May the right hand of God
Ever hold you in keeping
Through coming and going
Through waking and sleeping
May the love of the Christ child
Your spirit be lighting
And the smile of His mother
Your heart be delighting..
May blessed St Joseph
Be near you in sorrow
And the high saints of Erin
Be guarding your morrow.
May peace be your treasure
And long be your living
With joy in good measure
For taking and giving
In friendship go leor
Beyond bound or expressing
To your door I am sending
This Christmas Blessing
