Life is precious

Every individual has a right to a dignified life, politics is called to serve the common good rather than the self-interest of a few.

We challenge rampant individualism profit seeking at all costs.

The throw away culture and divisive rhetoric.

The Gospel of Jesus Christ speaks to a

World where every human being is respected and enabled to fully grow in the image and likeness of God.

Top Ten Ways to Help Pollinators: Think twice about getting a hive of honeybees

On the island of Ireland, we have one honeybee species,
and it is not in decline. Most honeybees are
'domesticated pollinators', living in hives and managed
by beekeepers. Our 100+ wild bee species are under
threat. If we have too many honeybee hives in the
landscape, they can compete for food with our
struggling wild pollinators. You should only get a
honeybee hive if you want to start a new hobby,
but it is not the best thing to do for biodiversity.
