They do not leave us;

They are not gone

They look upon us still

**They walk among the
valleys now**

They stride upon the hill

**Their smile is in the
summer sky**

Their grace is in the breeze

**Their memories whisper
in the grass**

Their calm is in the trees

**Their light is in the
winter snow**

Their tears are in the rain

**Their merriment runs in
the brook**

Their laughter in the lane

**Their gentleness is in
the flowers**

They sigh in autumn leaves

They do not leave

They are not gone

Tis only we who grieve
