Liturgy and Life

Every Mass ends with the mission to go forth and serve the Lord. This sending means that the love of God and neighbour and the moral implications of the Beatitudes and the Ten Commandments should be witnessed by the participants in everyday life.

People of faith know that their liturgical experience provides a unique spiritual vision and strength for making this a better world.

The lives of the Saints provide ample evidence of this truth. Saints of every age have improved healthcare and education and fostered the human dignity of the poor, the oppressed and the society at large. Saints attribute their remarkable energies to the power that comes from prayer and above all from the Sacraments, especially the Eucharist.
