Prayer of St. Teresa of Avila

Christ has no body now
on earth but yours;
no hands but yours;
no feet but yours.

Yours are the eyes through which
the compassion of Christ must
look out on the world.

Yours are the feet with which
He is to go about doing good.

Yours are the hands with which
He is to bless His people.

Yours are the hands

Yours are the feet

Yours are the eyes

You are His body

Christ has no body

now on earth but yours

Amen

Friendship

No matter how much you live the
experience of these years of your youth,
you will never know their deepest and
fullest meaning unless you encounter
each day your best friend, the friend
who is Jesus.

Friendship is one of life's gifts and a
grace from God. Through our friends,
the Lord refines us and leads us to
maturity. Faithful friends, who stand at
our side in times of difficulty, are also a
reflection of the Lord's love, his gentle
and consoling presence in our lives. The
experience of friendship teaches us to
be open, understanding and caring
towards others, to come out of our own
comfortable isolation and to share our
lives with others. For this reason, 'there
is nothing so precious as a faithful
friend' (Sir 6:15).

Friendship is no fleeting or temporary
relationship, but one that is stable, firm
and faithful, and matures with the
passage of time. A relationship of
affection that brings us together and a
generous love that makes us seek the
good of our friend. Friends may be quite
different from one another, but they
always have things in common that
draw them closer in mutual openness
and trust.

Stepping Stones Summer programme 2021

The Stepping Stones Programme aims to
assist Young People in their transition from
Primary to Secondary Level Education. The
programme is designed for Young People
who may find this process more difficult due
to levels of stress, fear or/and apprehension
and who may find their experiences less
favourably due to low self-esteem/
confidence, experiences of bullying, disability
(physical/learning) or/and experiencing social
exclusion.

The Stepping Stones summer Programme is
run to:

- Make the transition from primary school to
secondary school easier for young people.
- Ensure young people seek support with
any issues moving to secondary school.
- Address the fears and concerns young
people have about moving to secondary
school.
- Develop self-confidence, self-esteem,
decision making and peer support amongst
the participants.

This is a week long programme based in
Clane youth project
