Season of Creation Prayer

We ask God to help us become more aware of the world around us, to help us to see the beauty of his creation, to care for our common home, to watch over our planet, to protect it and to share the beauty of creation with all around us.

Loving God, may the beauty of your creation be a source of refreshment and renewal as we make our journey to you.

All powerful God, you are present in the whole universe and in the smallest of your creatures.

You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty.

Fill us with peace, that we may live as brothers and sisters, harming no one.

O God of the poor, help us to rescue the abandoned and forgotten of this earth.

Amen
