**Reduce Speed:
Learning Curve Ahead**

Some people are quick learners, God. Not me. I think I am one of those life-long ones.

Not necessarily slow, just life-long. It either takes me multiple lessons before I catch the point, or I get it quickly, but I can't seem to apply it to the next lesson. Or it comes in a burst of insight, like the dawn that fades into night sky with the sunset, to await the next time things dawn. God of Surprises, help me to keep my mind and heart open.

*I will instruct you and teach you
the way you should go;
I will counsel you with my eye upon you.
(Psalm 32:8)*

a simple bridge to help someone

Thought for the Week
