The Blessing of the Throats

St Blaise, died 315. Bishop of Sebaste, martyred in Armenia. Tradition states that he was a physician before becoming a bishop. Since the eighth century he has been venerated as patron of those who suffer from disease of the throat.

The Blessing of Throats

The blessing of St Blaise is a sign of our faith in God's protection and love for us and for the sick. Using two crossed and unlighted candles, blessed on the memorial of St Blaise or on the feast of the Presentation of the Lord, the minister touches the throat of each person, saying, 'Through the intercession of St Blaise, bishop and martyr, may God deliver you from all ailments of the throat and from every other evil (or from every disease of the throat and from every other illness). In the name of the Father, and of the Son, and of the Holy Spirit. Amen.'

We thank God for the gift of Health of mind and body each day
