**Mahatma Gandhi,
who in a sense,
changed his world reflects**

"I am neither a man of letters
nor of science, but I humbly claim
to be a man of prayer.

It is prayer that has saved my life.

Without it I would have lost
my reason long ago.

If I did not lose my peace of soul,
In the midst of my many trials,
It is because of the peace that came
to me through prayer.

Once can live several days
without food,

But not without prayer.

Prayer is the key to each morning
and the lock to each evening.

It is a sacred alliance
between God and us.

Let everyone try this experience,
and they will find that daily prayer
will add something new to their lives,
something which cannot be found
elsewhere."
