God's Dreams

Our dreams are deeply buried in our hearts, and yet they influence us all the time. At their most profound, they point to our hopes for ourselves and for our world, and open up our deepest longings. They are given to us by God, and it is by living out of them that we become co-creators with him in our decisions. To catch a glimpse of your dream, ask yourself what you are truly passionate about?

What really excites you? Don't answer that question too quickly, or your answer will be superficial. Give it plenty of time... mull over it ... ponder it ... chew on it ... come back to it ... allow the question to go deeper and deeper, until...

Take some time to look at your dreams and desires.

God speaks to you through your dreams and desires.

These shall show you the way!
