Clane Church Bell

When Clane Parish Church was opened for public worship in 1884 a Bell Tower was to be built but it never happened due to lack of funds. The Bell of the Church has rested on a concrete base at the back of the Church since the early 1900's originally as a 'temporary' measure.

Following on from last years generous legacy donation to the Parish, Fr. Paul has asked a Heritage Architect to draw up plans to design a structure to hold this beautiful Bell at the front of the Church in the courtyard close to the side gate on the left side as you look at the Church from Main Street. We hope that this will display the Church Bell in a more fitting way after its 'temporary' home at the back for the past one hundred years. More details will follow as the project develops in the coming months.

Church Improvements

A recent upgrade of our Clane Parish Church, Centre Fire Alarm System has taken place. Thanks to all who support the Parish in financing this work.

World Day of Remembrance for Traffic Victims – 19th November 2023.

Sunday 19th November marks 'World Day
of Remembrance for Traffic Victims'.
'World Remembrance Day for Road Traffic
Victims' provides us with an opportunity
as road users to reflect on the loss of loved
ones, the suffering of families and others
bereaved by someone killed on our roads.

Today, on '**World Day of
Remembrance for Road Traffic
Victims**', we join Kildare County Council,
the Road Safety Authority, An Garda
Síochána and other road safety groups, in
remembering all those who have died in
road traffic collisions around the World, in
Europe, in Ireland and indeed, on our own
roads here in County Kildare.

This year alone, we have all learned of the
heartbreak, the sorrow, and the grief
suffered by over 165 families and many
others in so many communities, because
of a fatal collision where loved ones have
died.

Road safety is everyone's responsibility,
together, let's stop the cranage!

- Think about it!
