Rise up in me

Risen One,

You descended

Into death

And to all those

Death has held buried within.

Descend also in my depths,

Down to all that is dead within me,

And to everything

That still waits for your life

And your light.

You have truly risen

From the tomb

And you lead the dead into life,

The benighted into the light

And sinners to reconciliation

With the Father.

Rise up in me also,

From the tombs within me,

And raise up what is dead within me into life,

My unattractiveness into the loving gaze

And my guilt into the waiting arms

Of the Father.

Amen.

During Illness

Lord, now that I am unwell,
I have plenty of time to reflect and pray.
Grant me the strength to move my focus

From my injury,
My pain and my anxieties.
Deepen my sense of appreciation

For all who are nursing me
And those who support my family.
Bless those around me whose pain and anxiety is
more serious than mine.

May they gain peace and strength
From family, friends and nursing staff.
Lord, stay with me at this difficult time,
I really need you now.

Amen.

*Health is a crown worn by those who are well
But only admired by those who are ill.*

A Soldier's Prayer

Lord, I ask for your grace
And strength for this moment.

May I be diligent
And honourable in all things;
And show cheerfulness and courage
In the face of hardship and danger.
Be with me in my trials and struggles.

Watch over my confidence and friends.
Be with my family, friends,
and all who are special to me.
Lord, give me confidence in times of doubt,
Strength when I feel weak,
Hope when there are feeling of despair.
Guide me, direct me and support me today and
always. Amen.
