Prayer for the care of creation.

Today, the *World Day of Prayer for the Care of Creation*, offers to individual believers and to the community a precious opportunity to renew our personal participation in this vocation as custodians of creation, raising to God our thanks for the marvellous works that he has entrusted to our care, invoking his help for the protection of creation and his mercy for the sins committed against the world in which we live.

The celebration of the Day on the same date as the Orthodox Church will be a valuable opportunity to bear witness to our growing communion with our Orthodox brothers and sisters.

We live in a time where all Christians are faced with identical and important challenges and we must give common replies to these in order to appear more credible and effective.

For my parents

God, my Creator,

Just as you once placed me

Into my parent's arms,

So today I place my parents and their ways

Into your arms.

I thank you for their lives.

They bore the pain of birth, of caring and
of letting go.

They welcomed me in

And yielded me up.

I ask your love for them.

Amen.

Bearers of peace

Lord, God of peace,

We thank you

For all the longing, all the efforts, all the striving

That your Spirit of peace

Kindles in our time.

Open our spirits and our hearts still more

To all our brothers and sisters

Who are now in need of love,

So that, more and more,

We may become bearers of peace.
