Growing Your image of God

Just like in the life of Saint Ignatius,

God may be communicating with you

in unexpected ways.

God may even be communicating with

you through something

what seems initially bad

or disastrous (like getting ill for example)!

God doesn't need a burning bush: people,

places, experiences, books,

movies, even the internet

can be points of contact with God.

Dearest Lord, teach me to be generous:
Teach me to serve you as you deserve;
To give and not to count the cost,
To fight and not to heed the wounds,
To toil and not to seek for rest,
To labour and not to ask for any reward.
Save that of knowing that I do your will.
Amen.

Have Your Say on the Future of Catholic Education in your School

The current Department of Education survey on
the future of patronage in the primary schools will
determine what schools will divest. As this survey
is school specific and it relates directly to your
school, this is an opportunity for all members of
the school communities to 'have their say' and
help shape the direction of your school for the next
generation.

It is important that those who wish for a change in
patronage would have their voices heard. It is
equally important that those who are already satis-
fied with the current patronage model and who
wish for a Catholic Education for their children,
including sacramental preparation within school,
would have their voices heard also.

For these reasons, and to ensure that an accurate
picture emerges, you are invited to participate in
this survey if you are a parent, guardian or a pro-
spective parent of a primary school student. Deci-
sions on what schools will retain or lose their Cath-
olic patronage will be influenced by the expressed
opinions of those who participate in this sur-
vey. Therefore, your opinion and the values you
hold dear are important, and your voice needs to
be heard about your local school. Please take a
few minutes to complete the survey.

The closing date is 16th December 2025.

The survey may be accessed at
